MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 3271, dated 4th June 1924.

Sealed tenders will be received in the office of the undersigned up to 12 noon on Monday the 30th June 1924, for the supply of miscellaneous articles required for the Government Transport Workshop and Stables during 1924-25.

2. The approximate quantity and description of the materials required are given in the annexed schedule and tenders should be sent in the form of that statement duly noting in the column left blank the rate at which each article will be supplied. The articles to be supplied should correspond with the sealed samples which can be seen at the Transport Corps Workshop and Government Carriage Factory on any office day between 11 A.M. and 5 P.M. The cover should bear the superscription "Tenders for the supply of miscellaneous articles for the Government Transport Workshop and Stables". Tenderers will note that the purchase of the whole quantity is not guaranteed but that the quantities mentioned in the schedule are only approximate and they may be required to supply a little more or less than the quantities specified.

3. The rates which should be inclusive of the cost of delivery at the Transport Corps Workshop, Bangalore, should hold good for a period of one year from 1st July 1924 and no application for increase in rates owing to enhancement of the market rates or any other cause during the contract period will be considered.

4. The earnest money of Rs. 100 which should be either in currency notes or in the form of a cheque on the Imperial or the Mysore Bank, Bangalore only as well as samples wherever required should accompany the tender, without which the tender will not be considered.

5. The Superintendent of the Government Transport Workshop and the Government Military Stables will indent on the contractor for such of the articles as may be required from time to time which should be supplied within 24 hours or such other time as may be specified in the indent. The receipts obtained for such supplies should be submitted with the bills once a month to the Superintendents concerned, who will arrange for payment.

6. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender. If any tenderer withdraws from his tender before the acceptance or rejection of his tender is communicated to him or when the tender is accepted, fails to deposit the security amount and execute an agreement for the due fulfilment of the contract, as specified below, the earnest money deposited by him will be forfeited to Government.

7. The name of the successful tenderer will be notified in due course and he will be required to deposit as security a sum of Rs. 1,000 and to execute an agreement for the due fulfilment of the contract within 8 days of the intimation of acceptance of the tender. The earnest money on rejected tenders will be returned.

8. In case of dispute as to whether the articles supplied are similar to the sealed samples at the Transport Corps Workshop and Government Carriage Factory or those submitted by the tenderers, the decision of the Stores Purchase Committee shall be final.

NOTE—The quantities of articls shown in the ljst are only approximate but the contractor is bound to supply the quantities actually required during the year at the accepted rates, should any necessity arise for indenting for more.

NOTE 2.—To avoid difficulty in calculation the rates for articles should be quoted per measure, weight or for the number noted against each in the lists.

Notice No. S. P. C. 3272 dated 10th June 1924.

Sealed tenders for the supply of Bran, Salt and firewood required for one year for the Mysore Transport Corps and Pony Troop at Bangalore and Mysore will be received by the Secretary, Stores Purchase Committee, Public Offices, Bangalore, up to 12 noon on Wednesday the 25th June 1924. The contract will be for the period from the 1st of July 1924 to the end of June 1925.

Conditions.

1. The tender which should be in the form given below wherein are given the approximate quantity and description of articles required, should state clearly the rate at which each article can be supplied at Bangalore and at Mysore throughout the year in columns 3 and 5 of the statement left blank.

2. Every tender should be accompanied by an earnest money of Rs. 100 either in the form of cash or a cheque on the Imperial or Mysore Bank. The earnest money will be forfeited to Government, if the tenderer, whose tender is accepted fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below, or if the tenderer withdraws from his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

3. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit the amount noted in column 7 as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of the contract at the end of the period. Supplies will have to commence from 1st July 1924.

4. When the animals leave headquarters on manoeuvres or other duty, the contractor at the station will be required to supply in advance sufficient quantity of the articles needed at the contract rate until their return to headquarters.

The cart hire and other extra charges for the conveyance of the grain for any stage or stages should be borne by the contractor himself, if the number of animals leaving the station is not less than six.

5. Such Officer as the Chief Commandant may appoint for the purpose will indent on the contractor for the articles required per day and the contractor should supply the quantity indented for (daily) at the appointed place and obtain receipts in token of the supply made. The contractor should be prepared to supply any additional quantities that may be required at the contract rate.

6. The contractor should present his bills once a month for supplies made by him during the month to such officers at Bangalore and Mysore as the Chief Commandant may direct who will arrange for payments of the amount due to the contractor.

7. No application from the contractor for any sort of concession whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes, will be considered.

8. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure to supply the articles contracted for or by Government having to purchase the articles specified in the contract in the local markets at higher rates than those contracted for.

9. The Stores Purchase Committee reserve to themselves the right of finally accepting or rejecting any tender without assigning any reason therefor.

10. In all matters of dispute as regards the quality of the article supplied, the decision of the Chief Commandant will be final.

Notice No. S. P. C. 3569, dated 17th June 1924.

Sealed tenders will be received in the office of the undersigned up to 12 noon on Monday the 14th July 1924 for the supply of Steel Joists required for the New Municipal Office at Mysore. The approximate quantity and description of the articles required are given in the subjoined statement, and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which the articles will be supplied. Tenders should be superscribed "Tenders for the supply of Steel Joists for New Municipal Office, Mysore." Earnest money of Rs. 100 which should be in cash or by means of cheques on Imperial or Mysore Banks, should accompany the tender, without which the tender will not be considered. Cheques on Banks other than those in Bangalore will not be accepted.

2. The rates given in the tender which should include the cost of delivery of the articles free on rails at Mysore should hold good for seventeen days from the date fixed for opening the tenders. The whole of the materials should be supplied *within* a fortnight from the date the acceptance of the tender is communicated to the tenderer.

3. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted against the article in column 7 of the subjoined statement and to execute an agreement for the due fulfilment of the contract for the supply required, within eight days of the intimation of acceptance of the tender. The earnest money will be forfeited to Government, if the tenderer, whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in column 7 of the subjoined statement, or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. The earnest money on rejected tenders will be returned.

5. Should the contractor fail to comply with any of the conditions detailed above, his contract will forthwith be cancelled, and the deposit forfeited to Government.

6. In case of dispute as to whether the supply of the articles is according to specification, the decision of the Stores Purchase Committee shall be final.
